Dear Sir:

Thank you for your letter of  
Dec. 5, 1974.

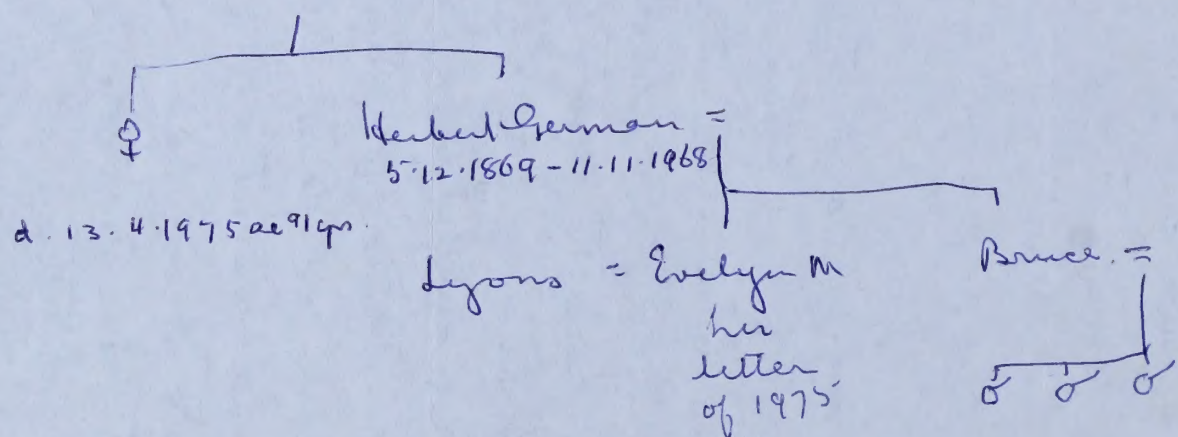

You no doubt think I am very  
ungrateful but this is not the case.  
When you wrote the letter we had  
already left for Florida and have  
just recently returned.

Your hobby of collecting information  
on our early families must have  
been a tremendous amount of work.  
To have prepared files on 800  
families must be a record and is  
a great accomplishment and is of  
great value to many of their  
descendants.

I would like very much to visit  
you as you suggested and see

Family in So. Dunfries Twp.  
settled in 1820.

your files. You state there are several Christopher Germans. Will you please send me copies of your files on:

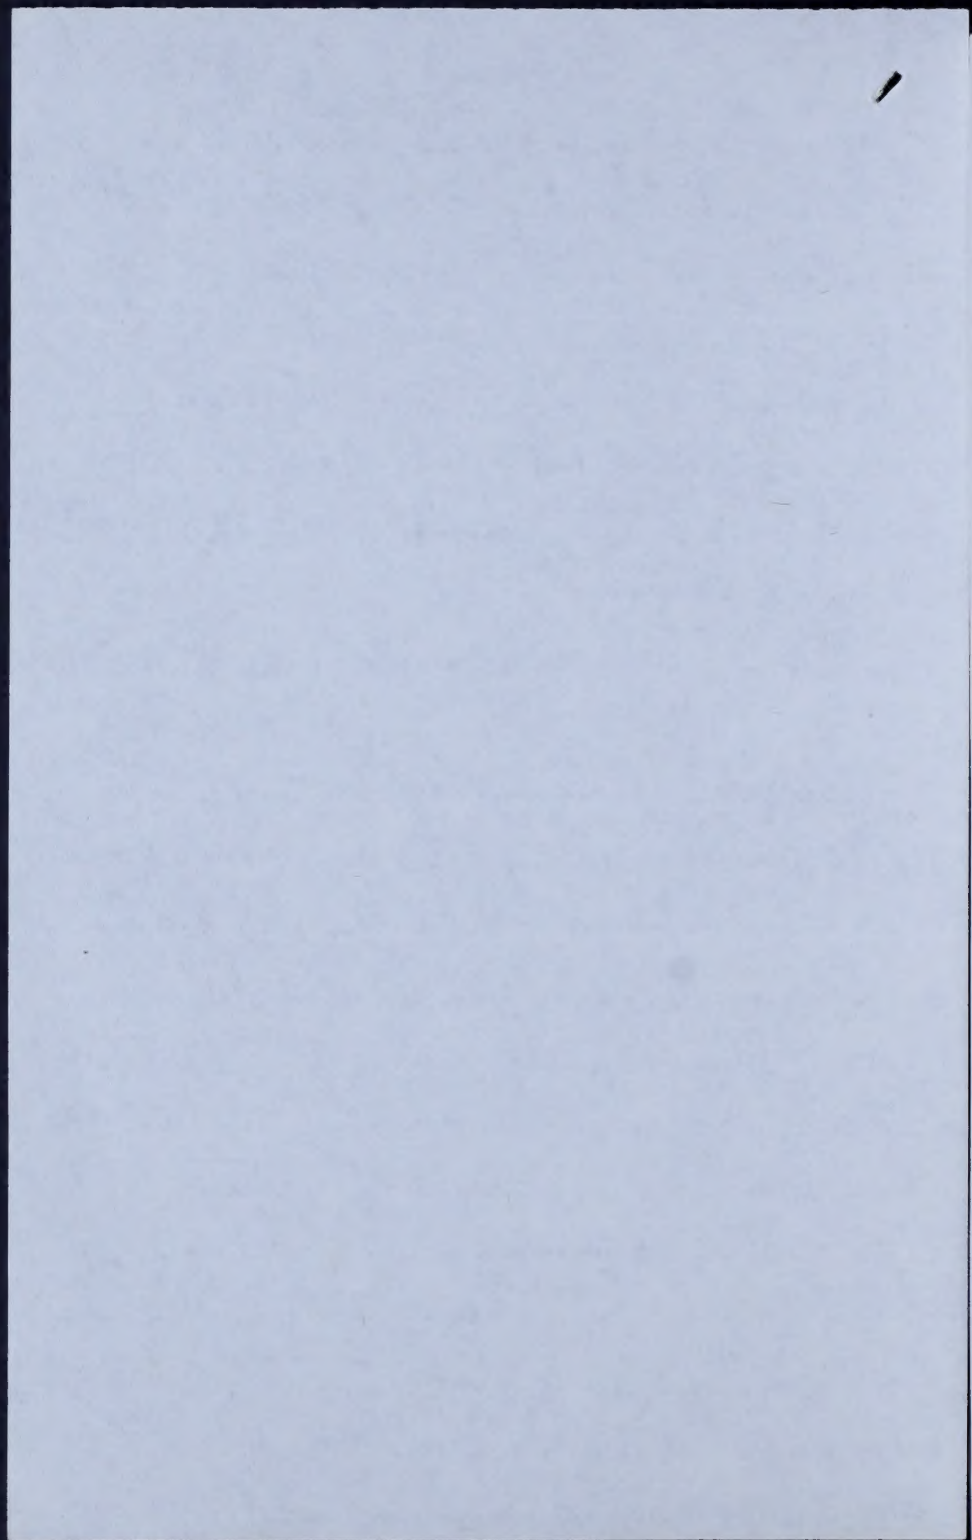

① Christopher German, 1st, son of John German 1st and Mary Ryschman, and one of the founders of the first Hay Bay Church.

② Christopher German (Sr) the Shoemaker of New York:

I enclose a cheque for \$20.<sup>00</sup>/<sub>100</sub> for these @ \$10.<sup>00</sup>/<sub>100</sub> each and if the price has gone up, as most prices do, please let me know.

You say you are 80 yrs old. I am over 70 yrs myself. My father Herbert German was born on Dec. 5, 1869 and died Nov. 11, 1968. His only sister died Apr. 13 this year in her 92nd yr and lived in her own home till the day she died. My father was active and in his own home until he was 96 yrs. We shouldn't think we are old.

Our family farm was settled in  
1820 in (South) Dumfries Twp. about  
6 miles north of Brantford. My brother  
Bruce German now lives on it and  
his chief crop is corn. He has three  
sons and hopefully one will  
eventually be a farmer.

I wish you a long, healthy  
and happy life.

Sincerely  
Mrs Evelyn Lyons.

Dear Sir:

This summer we visited Adolphustown Museum. The young man in charge told me that you were the best historian for me to consult.

Our earliest known relative is Christopher German who helped build the Hay Bay Church. Could you give me any information about his parents or brothers and sisters and what country they came from? If not could you give me any idea where I might find out about them.

Thanking you sincerely,

Mrs Evelyn (German) Lyons.

Mr Burleigh,

Dear Sir

Thank you for your letter and information on the descendants of Christopher German.

You and your wife must have been very busy with the moving and I hope you will soon be settled and will be able to relax.

My family history says that Christopher German had two sons: Peter and Lewis. Peter had one son, John Wesley German. Lewis had four children ① George b. 1805 ② Mary ③ Jane ④ Peter born Sept. 17, 1817

We are descendants of George German. He had ten children, one of whom was William German, my grandfather. He<sup>was</sup> had two children ① Herbert ② Myrtle May. Herbert was my father.

Lewis German and Nancy Mc Gee were married in Sophiasburg, Prince Edward County on Mar 18, 1804, by Stephen Conger, Justice of the Peace of Hollowell. In 1809 Lewis owned land in Clark Twp. Some time later he moved to the vicinity of Stony Creek and from there to Humphre. in 1820 where he bought a farm. It is now in South Humphre, Brant County and still in the family name.

I am hoping your file on Christopher the shoemaker from New York will clear a lot of still unanswered questions.

By the way Peter son of Lewis became a preacher. In 1856 he was stationed at Cornwall for three years & later at Brant, Port Stanley & Port Rowan.

Sincerely,  
Evelyn M. Lyons.

Mrs. Evelyn Lyons,

Dear Mrs. Lyons:

I am sorry to be so late with my reply to your letter.  
But I have a good explanation for my tardiness.

I had dug up my German file on the receipt of your letter.  
Then came the deluge. My wife and I had decided to retire and move to an  
apartment in Kingston. We are both over seventy, and getting tired of  
people, so decided to hibernate on the fifth floor of a exclusive apartment.

All this meant plotting and planning. As we are antique  
conscious, as well as horaders of china, book, bottles, glassware, as well  
as other rarities, we do have a struggle, sorting out what to keep and  
what to sell. Two days of auction is in the offing. So we are busy and very  
absorbed in all the details.

As a result, my German file became lost in the turmoil.  
A few days ago, my married daughter found it. So here I am enclosing you  
a first installment. I do hope that it helps in your struggle with the  
family search. Please let me know what you think of it.

Sincerely,

Dear Sir:-

On a recent visit to Prince Edward County I spent some time at the "White Chapel".

In a copy of the old register the marriage of Luis German and Nancy Mc Gaa is recorded on March 18. 1804.

This couple may be the ancestors of the German family now located near St. George, Ont. An old tombstone in the St. George United Church cemetery records the death and final resting place of a man and wife of the same name.

I obtained a copy of the 158th Anniversary of the White Chapel which lists the Trustee Boards but fails to give any addresses.

I would like to get some information about the history of this family. Some possible sources might be - an Historical Society, A United Empire Loyalist Organization or some member of the Trustee Board.

Any information on this subject will be very much appreciated

Sincerely yours,

## Personal Notes.

### The Germans.

The Germans.--- Christopher German was next neighbor west of the Bogarts in the fourth concession, north of Hay Bay. He was a soldier of the Loyal Rangers during the war. He reared a large family, all of whom did well. He was a Methodist local preacher, and a trustee of the first Methodist church. Two of his sons, Mathew and Peter, were prominent and popular local preachers sixty years ago. The Rev. John W. German, of Berlin, now a superannuated Methodist minister, is a grandson. Rev. J. F. German, D. D., now of Elm St. Church, Toronto, is one of his descendants. Others of them are numerous in Prince Edward County and elsewhere, but none of the name now remain in Adolphustown. He died and was buried where he first settled. He never took an active part in municipal or political affairs, but was the most prominent man in his locality in church matters. The old homestead remained in the hands of some member of the family until quite recently, and the farm was one of the best and most valuable in the township.
